

# Christmas 'Pocket Money' Market

**Thursday 3rd December 2015**

We will be holding a Christmas 'Pocket Money' Market on 3rd December **during school hours** where the children will have the opportunity to choose from an array of presents for Mum, Dad, grandparents, brothers and sisters, etc.

All presents will be priced between **50p and £5** and most will be wrapped ready to put under the Christmas tree. Please send your children to school that day with some pocket money.

All proceeds from the market will go towards your HSA to help with funding various activities and equipment for the children.

**Thank you!**
