

## St Marie's Pupil premium strategy statement

*'Jesus is always my friend'*

### St Marie's Mission Statement

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

## Part A: Pupil premium strategy plan

### Statement of intent

At St Marie's we have high expectations for all pupils in our school and believe that, with high quality teaching, pastoral support, effective engagement with parents and a personalised approach to meeting children's needs, every child can fulfil their individual academic, social and emotional potential.

Strong leadership ensures that the Pupil Premium funding is allocated effectively each year to have the necessary impact across school so that pupils achieve at least the same academic outcomes as non-disadvantaged pupils with similar starting points, and so that they have equal access to the extended curriculum and enrichment opportunities, eradicating educational inequity. Our current strategy supports these aims by ensuring pupils receive high-quality teaching in all subjects, but with a specific focus on reading, phonics and maths mastery.

Embedded into our practice is the importance of nurture, sports, culture and art opportunities in supporting the wider learning of disadvantaged students, enhancing cultural capital and removing barriers to accessing and understanding the wider curriculum. Our bespoke curriculum provides children in receipt of Pupil Premium, with opportunities to develop into confident, independent and successful learners who will thrive in later life and make a positive contribution to society.

Leaders also use the funding to create opportunities for children to develop resilience, perseverance, self-esteem through quality, targeted and bespoke pastoral care for children and families and through the deployment of external agencies, for example, mental health practitioners in school supporting children and families.

All strategies employed are evidence-informed using recommendations outlined by St Clare's CMAT, the Education Endowment Foundation and Learn Sheffield.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	On average, Pupil Premium children have lower attainment and make slower progress rates than their peers. Overall, PP children have knowledge gaps and find it difficult to retain/recall prior knowledge.
2	Assessments, observations, and discussions with pupils indicate underdeveloped working memory and vocabulary gaps among many disadvantaged pupils.
3	Observations, and discussions with pupils indicate poor mental health, low self-esteem, confidence issues, low resilience and emotional regulation difficulties.
4	Children typically enter school with lower levels of literacy and, more specifically, oracy skills. This includes speech and language difficulties and a lack of exposure to a wide range of vocabulary and reading opportunities.
5	Some children have multiple, overlapping, needs that impact on their learning. For example, 67% of our PP children have English as an Additional Language. These families often speak in their first language at home. 33% of our PP have SEND.
6	Attendance of disadvantaged children (97.5%) is slightly above the percentage of all other children in school (96.7%) and above the National average. However, the % of disadvantaged pupils who were persistently absent has risen slightly (11%) and is above the other children in school but still below national average.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Disadvantaged pupils make progress, from their individual starting points, across all areas of the curriculum and, more specifically, in Reading, Writing and Maths.  Improved reading, writing and maths attainment among disadvantaged pupils.	The % of disadvantaged pupils achieving GLD is at least in line with all other areas The gap in phonics attainment between disadvantaged pupils and other pupils is closing and is below the national gap. By the end of KS1, the gap between disadvantaged and other pupils (in school and nationally) is closing rapidly in Reading, Writing and Maths.
Improved early oral language skills and vocabulary among disadvantaged pupils.	All PP pass the Phonics screening and KS1 SATs. The attainment gap between PP and Non PP will close rapidly. Assessments and observations indicate significantly improved oral language among disadvantaged pupils.

	<p>This is evident when triangulated with other sources of evidence, including engagement in lessons, book scrutiny and ongoing formative assessment.</p>
<p>To achieve and sustain improved wellbeing for all pupils in our school, particularly our disadvantaged pupils. Well-targeted and effective Pastoral Care ensures that our most vulnerable, disadvantaged pupils are fully engaged in all aspects of school life.</p>	<p>Sustained high levels of wellbeing demonstrated by:</p> <ul style="list-style-type: none"> <li>• qualitative data from student voice, student and parent surveys and teacher observations</li> <li>• Key vulnerable families will be accessing a comprehensive offer of extended services through Early Help.</li> <li>• a significant increase in participation in enrichment activities, particularly among disadvantaged pupils</li> </ul>
<p>To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils.</p>	<p>Sustained high attendance demonstrated by:</p> <ul style="list-style-type: none"> <li>• the overall attendance rate for all pupils being at least 97%</li> <li>• the percentage of all pupils who are persistently absent (miss 10% or more sessions) being below 7% and the figure among disadvantaged pupils being in line with their peers.</li> </ul>

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### Part B: Review of outcomes in the previous academic year

#### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

Disadvantaged pupils make at least expected progress, from their individual starting points, across all areas of the curriculum and, more specifically, in Reading, Writing and Maths.

Improved reading attainment among disadvantaged pupils.

Improved maths attainment for disadvantaged pupils at the end of KS2.

PP performed well against their starting points and had attainment data below non-PP, however the difference was not significant (At/Above differences as follows: Reading – 9%, Writing - 7% and maths 8%)

	Below	At	Above
Reading	25	129	45
%	13%	65%	23%
Writing	45	130	21
%	23%	66%	11%
Maths	20	122	54
%	10%	62%	28%
<b>PP</b>			
	Below	At	Above
Reading	5	14	4
%	22%	61%	17%
Writing	6	15	2
%	26%	65%	9%
Maths	5	15	4
%	21%	63%	17%

KS2 EOY data below with improvement seen in Y6 PP in Maths.

Improved oral language skills and vocabulary among disadvantaged pupils/EAL pupils.

21/22 – 37% EAL, National 21%

PP – 10%, National 22%

EOY Reception data showing only 1 PP did not make the expected standard in Oral language skills. This pupil has complex needs with SEND.

To achieve and sustain improved wellbeing for all pupils in our school, particularly our disadvantaged pupils. Well-targeted and effective Pastoral Care ensures that our most vulnerable, disadvantaged pupils are fully engaged in all aspects of school life.

CPOMS evidence of pastoral support to vulnerable families. Targeted activities and interventions for PP children to ensure catch-up with their peers. PP used to support with uniform, trips, residentials, play therapy and counselling.

To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils. PP attendance for the year (95.8%) above school total of 94.6% and well above Sheffield average of 91.4%.
