

St Marie's School 2023 KS2 Results

Below are the outcomes of the KS2 tests, which our Y6 children took this year (May 2023). The tests have now been in this format from July 2016. There were of course no SAT's taken in 2020 and 2021 due to Covid. The outcomes are now shown as whether children have achieved the expected standard or have not achieved. Each pupil receives their test results as a scaled score based on the standards in the interim framework.

The expected standard (**EXS**) in the tests is a scaled score of 100 or above. The scaled score range runs from 80 to 120. Children who achieve 110 and above are judged to be working at a higher standard, often called working at greater depth (**GDS**).

The results for writing are based on teacher assessments, which were moderated against and with other schools in our locality and by the local authority.

ST MARIE'S KEY STAGE 2 SATS RESULTS 2023			
This table shows the percentage of children in the school achieving the expected standard and the percentage of children working at high standard at the end of KS2 (compared to national averages).			
		National 2023	St Marie's
Reading	EXS	73%	91%
	GDS	-	49%
Writing	EXS	71%	76%
	GDS	-	9%
Maths	EXS	73%	85%
	GDS	-	21%
SPAG	EXS	72%	85%
	GDS	-	27%
Combined (Reading, Writing & Maths)	EXS	59%	73%
	GDS	-	9%

EXS - % Percentage of pupils meeting the expected standard or above.

GDS - % Percentage of pupils working at greater depth.

Average score in reading, maths, and SPAG

This score is known as the 'scaled score'. The score is an average for pupils in the school in reading, maths, and SPAG. The expected standard is a score of 100 or more. The higher standard is 110 or more.

St Marie's Average Scaled Score 2023		National Average
Reading	110	105
Maths	106	104
SPAG	106	105
