WRITING

The English curriculum now has a greater focus on grammar and spelling.

- Children are taught spelling rules and patterns following on from the Read Write inc scheme used in KS1
- Children are taught to write different types of sentences: simple, compound and complex
- They are taught to select verbs, adjectives and adverbs appropriately and effectively
- They are taught to begin sentences in different ways
- Taught to organise idea logically grouping sentences appropriately into paragraphs
- They then need to apply this information to a particular text type

- I only write a capital letter if I need one.
- I spell words correctly if they are written for me to copy.
- I do not use an apostrophe to make a word plural.

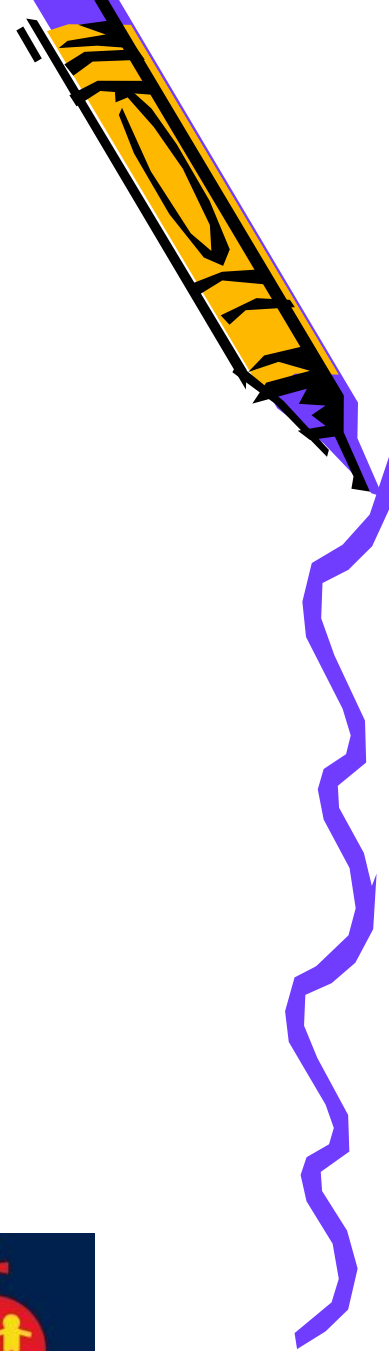

Spelling

- Look Cover Say Write Check
- Look at words within words eg weather
- Look at the shape of words
- Look at the tricky parts
- Words dictated in sentences
- Rules for adding prefixes and suffixes
- Homophones
