EAL- English as an additional language

LO

Speaking, or being exposed to, more than one language is something to celebrate!

How we support your child at school:

- Valuing and celebrating children's home languages and cultures
- Partner and group activities
- Provide language rich environment – opportunities to talk and discuss
- Visuals, modelling and key vocabulary, including dual language resources
- Regular monitoring and progress and differentiated support

How you can support your child at home:

- Continue to develop your child's home language
- Read together regularly both in English **and** in your home language

Key takeaway:

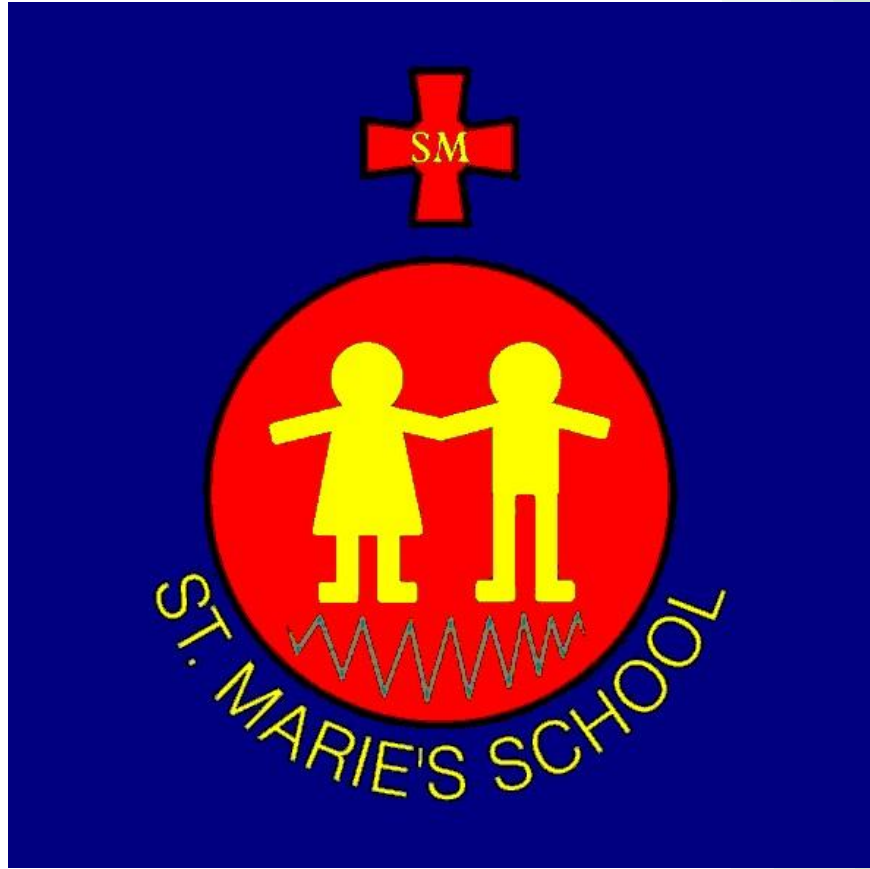

Keep your home language strong!

We are all developing English while building on the language and knowledge your child already has.
